Psychotherapist Winkelman provides a creative and visually astute map that traverses and balances inner masculine and feminine energies. It is from this balance, she claims, that we will find peace within and harmony without. An extraordinary artist and often humorous guide, she uses her own life experience and art to create psychological signposts on this road to higher states of consciousness. Using images of her sensuous ceramics she shows us Ages, Stages and Phases of personal growth. The reader can see where she is, where she has been and where she s going while on this path to greater authenticity. Regardless of which of Winkelman s Five Life Stages the reader is in, this book will encourage her to delve more deeply into herself. The author states, It has been a passion of mine to help awaken women to their full potential and throughout my 30-year career, I have been encouraging them to do so. It seems more important now than...
