

Living in a Quantum Reality: Using Quantum Physics and Psychology to Embrace Your Higher Consciousness (Paperback)

Filesize: 2.69 MB

Reviews

*The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

LIVING IN A QUANTUM REALITY: USING QUANTUM PHYSICS AND PSYCHOLOGY TO EMBRACE YOUR HIGHER CONSCIOUSNESS (PAPERBACK)

RED WHEEL/WEISER, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. For those who have experienced a transpersonal or spiritual awakening, it can be difficult to come back to living in the day-to-day world. All of a sudden, you may be faced with challenges such as anxiety, depression, despair, the Dark Night of the Soul, and a multitude of other energetic and spiritual imbalances. Living in a Quantum Reality helps to identify the common side effects of wholeness consciousness and offers a variety of exercises, meditations, and healing methods to cope with having a higher consciousness in a world that is still struggling to catch up. Living in a Quantum Reality helps you understand your impossible transpersonal experiences by integrating quantum physics into psychology and offering a user-friendly description of the many layers or spheres of energy and consciousness. This vision of the quantum self synthesizes spiritual thought with an array of scientific disciplines, and is supported by the author's own direct experiences, as well as her clients' experiences with larger reality. This book is a step toward advancing the field of psychology, and especially the practice of psychotherapy, to catch up with the latest, more quantum, worldview, one that is more comprehensive for understanding the reaches of our human consciousness and psycho-spiritual experiences.
