Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The trial lasted ten days, and during the whole time the court room was crowded to its utmost capacity by men and women, while hundreds were turned away every day. The interest was the greater because I was tried as principal, while all the others were either accessories or indicted for minor offenses. The testimony against me was point blank and sufficient to have convicted twenty men, but somehow I proved an alibi, and the jury brought in a verdict of not guilty, after having been out for twenty-one hours. When the verdict was announced such a shout went up as I never heard even in a New Hampshire town meeting. So beside themselves were the spectators that several were...
