DOCTRINES OF DIVINE PSYCHOLOGY (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Doctrines of Divine Psychology I Make a revision and integration of the part of this doctrine heretofore published, so that it be clearly understood and reveal the complete book of the human soul both in atonement, revelation, and doctrine. This book is presented to the people to show the victorious and scientific triumph of divine truth at its second advent to earth, showing and proving by works which have already been accomplished that the perfect divine truth, word, and spirit combined has herein been revealed from heaven to man to reclaim falling and suffering humanity, by the oblique course which this doctrine pursued being predestined of God to fulfil the cycle of time prophesied of in the Holy Bible, concerning the second coming of Christ to reign over and destroy his desperate enemies. The oblique course which the Son of Righteousness took to fulfil the ancient and modern prophecies is the undeniable proof, and infinite testimony that the horn of salvation has appeared the second time without sin unto salvation, whose power, perfect image, works, judgments, righteousness, and equity are beheld and seen perspicuous in divine truth, word, and spirit combined in the utterance of the hidden secrets of the human soul.
