Excerpt from Suggestions for Land Settlement: More Consideration for the Seller; Acceptance or Rejection of Immigrants at the Port of Embarkation; Individual Opportunity to Secure Practical Farming Experience Before Taking Up Holdings We should do everything we legitimately can to firmly establish the resources of Canada in the minds of those whose financial support is so essential and we should be very careful not to frame our immigration policies on the principle that a temporary depression and temporary unemployment is a justification for barriers against the introduction of a good type of immigrant into this country. The people of Canada do not sufficiently realize that the most urgent and essential need to-day is increase in population, not only to provide traffic for the railways, but also to help pay our enormous national indebtedness. So far as the railways are concerned, the National Railways are even more, concerned in this demand for population than the Canadian Pacific, owing to the extent of sparsely populated country in which so much of their mile age is located. It was an aggressive immigration propaganda that built...
