Welcome to the end of the world. Nuclear bombs are falling. Civilization in America is over. How can any survive? A gun-sliling army General, a spirited bag lady and her thief friend, a faithful pastor, a no-nonsense single mother all board the last flight out of a collapsing America which has become a warzone. A mysterious wise man proclaims that he was one of the original finders of The Dead Sea Scrolls. He claims to possess a map that would lead a chosen people, in the most desperate of times to the ultimate utopia: Eden. At the end of time, in a place long forgotten, the Angel of Eden has been guarding this perfect place for over two thousand years. The moment of his discovery and greatest testing has come. Finding the Angel at the Gate of Eden has been a revelation to the surviving nations. From everywhere they are drawn to his power and the treasures Eden possesses. They come, each with their own motives, and their own stories of need as earth s final hour draws near. Who will the Angel allow into paradise? What is the land greater than Eden that the Angel has spoken of? Will any be left to believe in a world that has lost all hope?.
