## REFRESHINGLY SIMPLE FINANCE FOR SMALL BUSINESS: A STRAIGHT-TALKING GUIDE TO FINANCE AND ACCOUNTING

[DOWNLOAD](#)

Brightword Publishing. Paperback. Book Condition: new. BRAND NEW, Refreshingly Simple Finance for Small Business: A Straight-talking Guide to Finance and Accounting, Emily Coltman, Is fear of the money side of running a business holding you back? Would you love to turn your passion into a small business, but are frightened of getting on the wrong side of the taxman? Do you run a small business and find it's a desperate struggle to keep all your paperwork in the right place, never mind work out how much tax you should pay each year? In this friendly, informative book, bilingual qualified accountant Emily Coltman guides you through what you need to know on the finance and accounting side when you're setting up and running a small business. Emily speaks plain English as well as accountants jargon! She has many years experience of helping small business owners with their finance and accounting, and this book is written for anyone running a small business for whom double entry might as well be double Dutch! This book explains the different ways a business can be set up and structured legally and what the advantages and disadvantages of each kind of structure are, including the different taxes that each has to pay, and when those taxes have to be paid. It looks at where you might find the money to start or grow your business, and why you might choose the different sources. There are suggestions for how to organise your paperwork and advice on what records you need to keep and for how long. You'll hear how to keep on the right side of the taxman, what expenses you can and can't claim tax relief on, and how to claim tax relief when you buy equipment for your business - and what 'tax relief' actually is!...
