

The Exteriority Crisis: from the City Limits and Beyond (Paperback)

Filesize: 5.91 MB

Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).
(Lorenz Vandervort)

THE EXTERIORITY CRISIS: FROM THE CITY LIMITS AND BEYOND (PAPERBACK)**DOWNLOAD**

Oyster Moon Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In its corners, streets, gates, bars, squares, boulevards, gardens, parks and cafes, the city maintains some of the focal points of its unconscious. These are found and explored everyday by surrealists who obtain the essential experience of surreality in metropolitan life. The concrete experience of exteriority (which in the following collective essay we concentrate only on the city limits and beyond them) requires from us a disposition closely akin not only to the sensible renewal of people, but also to existence and its poetic reserves, and to the revitalization of the interior life that is suffering a process of sterilization because of the convulsive technologization of interiority and the progressive forgetting of life outside. With texts and photos by: Mattias Forshage, Miguel P. Corrales, Jose Manuel Rojo, Bruno Jacobs, Guy Girard, Manuel Crespo, Eric W. Bragg, Angel Zapata, Noe Ortega Quijano, Julio Monteverde, Vicente Gutierrez, Silvia Guiard, Eugenio Castro.
