REFLECTIONS ALONG THE DES PLAINES RIVER

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 136 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. The book is the result of a journal I kept to record the kayaking and fishing/camping trip I took with my son and nephew along the course of the Des Plaines River in and around the Chicago area. The book would serve as a gift to them, while also being a motivation book for me and hopefully others. It's also a book for the lover of fishing, paddle sports and the outdoors. It focuses on the outings the three of us learned throughout the 110-mile trek. It's a book about bonding and a man's search for answers to questions and is a true account. It also looks at life through the lens of two seven-year-old boys, who were surprisingly up for the challenge of the trip, which was their idea, hoping to re-create a Huck Finn type adventure. This item ships from La Vergne, TN. Paperback.
