Beyond Words Publishing, United States, 2010. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Infinite Possibilities is the masterwork from teacher, author, and featured speaker Mike Dooley. As the next step beyond his immensely popular Notes from the Universe trilogy, and his follow up, Choose them Wisely, this book contains even more enriching wisdom for living an abundant, joyous life. Mike Dooley knows that we create our own reality, our own fate, and our own luck. We're beings filled with infinite possibility-just ready to explore how powerful we truly are. Manifesting the magnificence of our dreams isn't about hard work, but rather about belief and expectation. These principles transcend belief, realizing the truth about our human nature. Your dreams are not accidental, nor inconsequential. And if someone were to tell the truth about life, reality, and the powers we all possessed, would it be recognized? Our lives are full of adventures-and not exactly the sky-diving, mountain-climbing variety-but something better. Readers will laugh, applaud, and be inspired by Mike Dooley's wit and wisdom.
