Migglism: A Beginner's Guide to Middle Way Philosophy (Paperback)

By Robert M. Ellis

Lulu Press Inc, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Migglism is a short term for Middle Way Philosophy, a practical philosophical approach developed by Robert M. Ellis in a Ph.D. thesis and a series of books. Middle Way Philosophy brings together insights from Buddhism, philosophy and psychology to offer a framework of thinking for a range of integrative practices. This book introduces these ideas in an accessible way. The Middle Way is not a compromise, but a process of navigating between dogmatic extremes. By avoiding either positive or negative claims that go beyond experience, we can find a new way of thinking, valuing and practising. Approved by the Middle Way Society. The middle is the chaotic and confusing place between the extremes. While the extremes are simpler and more attractive, it is in the mess in the middle where the interesting and creative activities occur - it is where we should be. Robert sets out a foundation for a way of thinking about the middle ground as a place to move towards. Ed Catmull, President of Pixar.

Reviews

The most effective book i ever read through. it had been writtern quite flawlessly and valuable. I am just happy to let you know that here is the very best publication i have got read through during my individual daily life and may be he greatest pdf for ever.

-- Prof. Adonis Rodriguez

Comprehensive information for publication fans. I have got read and i am confident that i am going to likely to go through once again once again in the foreseeable future. I am just very happy to let you know that this is actually the greatest book i have read in my very own existence and could be he finest book for at any time.

-- Clair Windler
