

Protozoology (Classic Reprint) (Hardback)

Filesize: 4.29 MB

Reviews

These kinds of publication is the ideal pdf offered. It generally is not going to expense too much. I am just delighted to let you know that this is actually the very best book i have go through inside my very own life and might be he finest ebook for ever.

(Mabelle Schoen)

PROTOZOOLOGY (CLASSIC REPRINT) (HARDBACK)**DOWNLOAD**

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Protozoology HE present work is similar in its primary aim to that of its predecessor, Handbook of Protozoology in presenting introductory information on the common and representative genera of all groups of both free-living and parasitic Protozoa, to advanced undergraduate and graduate students in zoology in colleges and universities. With the expansion of courses in proto zoology at the University of Illinois and elsewhere, it seemed ad visable to incorporate more material for lecture and discussion, in addition to the enlargement of the taxonomic section. The change of the text-contents has, therefore, been so extensive that a new title, Protozoology, is now given. Chapters 1 to 6 deal with introduction, ecology, morphology, physiology, reproduction, and variation and heredity, of Proto zoa. Each subject-matter has been considered in the light of more recent investigations as fully as the space permitted. Selection of material from so great a number of references has been a very difficult task. If any important papers have been omitted, it was entirely through over-sight on the part of the author. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
