

Love That Hurts . . . Is the Love That Heals! (Paperback)

By Daisy Raj Singh

Partridge India, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a compilation of thoughts. These poems are the journey of a soul from the ethos of darkness to light. It has traveled a hundred miles in the quest to understand the signs of the universe that it has so abundantly scattered along the path called life. No encounter is without a reason, they say. It is the journey of one soul in search of the other. - Sometimes we have to see the soul in the eyes of another to remind us of the existence of our own soul- (Martin Soul Reader). This book is for all those who believe in love. Love is a continuous process where you go through different phases before you finally meet. The soul mate will break your heart open before the healing starts. He/she will inspire you to look within and introduce you to yourself, like you have never known before.
