Yon infant group of laughing infants see, The playful romp, the blithe and social glee; Or mimic nurses, in fantastic dress, Deck the loved doll, and give the fond caress; In social circle Sit, and gaily spread The broken glass, the gaudy china-shred; The polished dishes in long order shine, Dinner, and rich desert, and sparkling wine! The banquet done, the table now withdrawn, They scamper lightly o er the velvet lawn, With tiny footsteps print the velvet green, Giving fresh beauty to the loveliest scene.
