Portable Poetry, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Poetry is a fascinating use of language. With almost a million words at its command it is not surprising that these Isles have produced some of the most beautiful, moving and descriptive verse through the centuries. In this series we look at each calendar month through the eyes and minds of our most gifted poets to bring you a guide to the days within each. This volume of Poetry is all about April - the fourth month of the year in our Gregorian calendar heralding Spring in earnest and of course April Showers and perhaps other unsettled weather. For our poets including Wilfred Owen, Thomas Hardy, Robert Louis Stevenson, Henry Alford, Robert Browning, Henry Van Dyke, Percy Byssche Shelley and Henry Wadsworth Longfellow the month provides a rich source for them to muse upon. Many of the poems are also available as an audiobook from our sister company Portable Poetry. Many samples are at our youtube channel // The full volume can be purchased from iTunes, Amazon and other digital stores. Among the readers are Richard Mitchley and Ghizela Rowe.
