Reviews

*A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.
(Mrs. Jacquelyn Gutmann)*

AQUACULTURE DEVELOPMENT: NO. 1: SUPPLEMENT

Food & Agriculture Organization of the United Nations (FAO). Paperback. Book Condition: new. BRAND NEW, Aquaculture Development: No. 1: Supplement, Food and Agriculture Organization of the United Nations, The guidelines in this series were compiled for FAO in support of Article 9 of the Code of Conduct for Responsible Fisheries (CCRF) concerning Aquaculture Development, and in particular in support of Article 9.4.3 of the CCRF concerning the selection and use of feeds and additives. The guidelines cover a range of issues, ranging from ingredient purchasing, processing, bulk storage, handling, monitoring and documentation, to issues such as employee training and safety, customer relations and the delivery of finished goods to the farmer. However, issues relating to the handling and management of manufactured aquaculture feeds by farmers on the farm are not covered here, as these will be considered within separate guidelines to be produced at a later date concerning good on-farm feed management practices.
