HarperCollins Publishers, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. The sixth book in this action-packed, New York Times bestselling science fiction series - STAR CARRIER. The clock is ticking in the struggle for galactic independence. Once rebels themselves facing off against the Earth Confederation, the United States of North America is now the dominant force in negotiations with the interstellar Sh'kaar Collective. But just as the Marines root out the last violent dissenters, an alien ship of unknown origin suddenly flees Earth's orbit. Is it mere coincidence . . . or a terrifying omen? President Alexander Koenig watches with great interest as USNA forces chase the runaways down. But upon first contact, it's not apparent where or when the crew is headed. For this bizarre species has somehow mastered the power to manipulate time itself. Now Koenig must decide whether he's dealing with angels of astonishing technological prowess . . . or the agents of humanity's destruction.
