Reviews

The very best book i actually read. I was able to comprehended every little thing using this composed e publication. Once you begin to read the book, it is extremely difficult to leave it before concluding.

A POCKETFUL OF TAO (PAPERBACK)

Lulu.com, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Of the ancient Chinese Sage Laotzu, founder of Taoism, Father of Beat Zen Dwight Goddard writes, I want you to appreciate this wise and kindly old man, and come to love him. He was perhaps the first of scholars (6th century B.C.) to have a vision of spiritual reality, and he tried so hard to explain it to others, only, in the end, to wander away into the Great Unknown in pathetic discouragement. But his great work, the Tao Teh King (Tao Te Ching) lived beyond his personal disappearance to profoundly influence Chinese religion and cultural character. Through Taoism s marriage with Buddhism in the Chinese Cha n and Japanese Zen traditions, Laotzu s vision has imprinted the spiritual understanding and practice of the entire world. Bringing two classic interpretations of his work together in one slim, portable volume, A Pocketful of Tao is the ultimate hip-pocket companion for modern travelers of the Watercourse Way.
