

## The Jaxon Effect: Contradictions and Confessions (Paperback)

Filesize: 4.12 MB

### **Reviews**

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Michael Spinka)*

**THE JAXON EFFECT: CONTRADICTIONS AND CONFESSIONS (PAPERBACK)**

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. When a burning desire consumes two people no matter how hard they try, they cant fight the inevitable. The first installment of the Jaxon Effect Trilogy is a fast paced and sexy page turner that has all the goods. One night only, that was the agreement! Jaxon Remington has GQ looks, a hefty bank-roll, and he owns the hottest male strip club in Manhattan. Sounds perfect right. Not even close. On the surface he has the world by the balls but on the inside he s hanging by a tiny thread. Jaxon wears a proverbial suit of armour but when Dr. Sims walks into his life he might as well be naked. After just one kiss she not only puts a chink in the armour, she blows it apart at the seams. No matter how hard he tries to deny their connection, he knows he needs more. With his sobriety on the line, he s forced to make a decision. Follow his heart, and risk everything or take the safe route, break her heart, and walk away. Believing a one night stand is exactly what she needed to move past a terrible break-up, Kate Sims uncharacteristically agrees to Jaxon Remington s proposal. A one shot deal. A wonderful memory she could recall far into the future. What she received was far more than she bargained for. She had fallen for him and he was emotionally unavailable. A relationship that had her teetering on the edge of insanity was not her idea of a good time. Although this man spoke to her soul on a level she couldn t comprehend, the one sided--no strings attached--arrangement she found herself in had...
