## THE DOTTERY

DOWNLOAD

University of Pittsburgh Press, United States, 2014. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book. Winner of the 2013 Donald Hall Prize in Poetry The Dottery is a tale of dotters before they are born. In this series of prose poems you meet their would-be-mutters, the buoys they will know, their inner warden, and the mutterers who cannot have them. The Dottery itself is a sort-of pre-purgatory, a finishing school for the fetal feminine. The five sections correspond to the conceptual set-ups interrogated within. In wound, The Dottery is described, as are its inhabitants and their difficulties. In Dual, a gender binary is introduced and (hopefully) eviscerated. Triage establishes the issues that plague both the dotters and those who would bring them out into the world - specifically into the idea of America ( I m Erica and I can prefer a hummer to the rose parade ). In Fear, failed dotters (out in the world) are described in obit fashion. Finally, in Thief one mutterer recounts how she stole her dotter ( a snatched piece ) to become a mutter and chronicles both her desires and regrets.
