ACADEMIC PUBLISHING

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Electrical Hazards on Natural Gas Pipelines Due to High Voltage Overhead Transmission Lines | Metallic pipelines are used to transmit the natural gas and petroleum products. Usually pipelines are constructed in the same pathway of the High Voltage Transmission Lines to save the right-way cost. AC voltage is induced on these pipelines due to the electric and magnetic fields of the overhead transmission lines. This book gives the calculations of electric and...

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who state that there had not been a worth reading. You may like how the author publish this ebook.
