Brand New Book ***** Print on Demand *****.The author pledges to donate ALL the proceedings from the sale of this book to The Being Human Foundation (// dedicated to education and healthcare of the under-privileged kids. He firmly believes that while our earnings show how we make a living, our contributions to the society show how we make a life. A little about what this book is all about - For me, life had always been a game of choices. It is a game of perceptions that we draw everyday within our minds and their associated outlook. To some, life has always been half-full while to others; it has been half-empty. Through this book, I can guarantee that one can easily solder wire the brain to look only for the half-full side that our life has to offer. It is not a book of DOs and DONTs, neither it is some kind of a rulebook nor does it unveil the secret recipe of that magic potion we had been searching for years. The book, in reality, is a beautiful compilation of my personal and professional experiences and describes the various teachings that Life offered to me during all these years. I was always taught that to become wise, you have to make decisions in the form of choices. If your choice is good, it will help you climb a step ahead on the life ladder. But if it backfires, then a unique opportunity is offered to un-learn and re-learn it in such a manner that makes you successful on its next application. Life is not only stranger than we can imagine, it is more mysterious; one which is like a riddle...
