

Colonial Jerusalem: The Spatial Construction of Identity and Difference in a City of Myth, 1948-2012 (Hardback)

By Thomas Philip Abowd

Syracuse University Press, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. In one of the few anthropological works focusing on a contemporary Middle Eastern city, Colonial Jerusalem explores a vibrant urban center at the core of the decades-long Palestinian-Israeli conflict. This book shows how colonialism, far from being simply a fixture of the past as is often suggested, remains a crucial component of Palestinian and Israeli realities today. Abowd deftly illuminates everyday life under Israel's long military occupation as it is defined by processes and conditions of apartness and separation as Palestinians are increasingly regulated and controlled. Abowd examines how both national communities are progressively divided by walls, checkpoints, and separate road networks in one of the most segregated cities in the world. Drawing upon recent theories on racial politics, colonialism, and urban spatial dynamics, Colonial Jerusalem analyzes the politics of myth, history, and memory across an urban landscape integral to the national cosmologies of both Palestinians and Israelis and meaningful to all communities.

Reviews

This publication will be worth purchasing. It is written in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be the best publication for at any time.

-- Devante Mante

This is the greatest book I have read through till now. It usually fails to charge excessive. You can expect to like how the blogger publishes this ebook.
