FINDING HAPPY (PAPERBACK)

Llh Publishing House, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The most lovable happy dog goes missing and through this challenge her family discovers the power of positivity, intentional behaviours and compassion. You won t believe where they end up finding her! Now that Happy went missing, I am scared we will never be happy again. We were all very worried and sad. We decided to stay positive and search everywhere to find Happy. You won t believe where we found her. Most people are searching for happiness. They re looking for it in someone or something outside of themselves. You have control over your level of happiness and it is simply something that your are, it s a skill and it comes from the way you think. Finding Happy is a children s book that fosters resilience, positivity and compassion. Well-being and positive education is becoming very relevant in our increasingly competitive and unpredictable age. The high prevalence worldwide of depression among young people, the small rise in life satisfaction, and the synergy between learning and positive emotion all argue that the skills for happiness should be taught to children. There is substantial evidence from well controlled studies that skills that increase resilience, positive emotion, engagement and meaning can be taught to school age children and teens. One of the best things a parent, caregiver or teacher can do is to teach children the skills they need to flourish. Life can be overwhelming and challenging at times, positive psychology is like a vaccine that helps inoculate kids against the stress that life no doubt will have in store for them. It will not give children full bullet proof immunity but it will help them to develop the resilience and skill sets...
