A practical guide of immense value to both students and their supporters as they deal with the new and different challenges posed by the transition from high school to college academics. - George Ballinger, Director of Family Affairs and Veterans Affairs, University of Colorado, Boulder It is a must read for our junior and senior students - Andrea Sabadosh, Jefferson County Colorado, International Baccalaureate Program Coordinator Perceptive and useful from a practical viewpoint. An easy read, I have no doubt incoming freshmen will benefit from its insights. - Anthony Chatham, Professor, Tulane University 1 in 4 college freshmen do not return for sophomore year. 45 of college freshmen will never graduate. 65 of college students feel they have underachieved. Why Every college student can succeed academically and obtain a high GPA. The reason so many college students underperform is because they're not taught how to transition from the structured high school environment to the unstructured college academic environment. The Strategic Student teaches high school seniors and college underclassmen how to make this transition and become more self-reliant. The author served as a college professor, academic advisor, and administrator...
