One who has the faculty for right selection of responsible subordinates needs also that wise sense of justice and appreciation which accords unstinted scope of action and generous recognition of results. The proverbial reluctance to allow those to enter the water whom we would have swim has given short measure to many a success. A good executive finds, develops and leans upon those who can carry forward for him the increasing divisions of his single great work. In all work, as in all knowledge, there is unlimited room for expansion and advancement. The business pyramid will find no circumscribing dome above which it cannot lift its capstone. Therefore, granted breadth of field and the leader s personal equation, the degree and height of business mastery...
