Early Days in Arkansas: Being for the Most Part the Personal Recollections of an Old Settler (Classic Reprint) (Paperback)

By Judge William F Pope

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Early Days in Arkansas: Being for the Most Part the Personal Recollections of an Old Settler On this, the eightieth anniversary of my birth, I finish a much cherished but long deferred task of preparing for publication my personal recollections of Early Days in Arkansas. Sitting in the impenetrable gloom of total blind ness, the mind s eye seems to have been strength ened by the loss of natural Vision, and the scenes and events of over half a century ago appear but as the happenings of yesterday. But few persons are now living who were here when I first came to Arkansas, sixty-two years ago. It cannot possibly be long ere the last link in the chain connecting the present with the past will have been broken, and none left to tell the tale of those ancient days. This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
