Brand New Book ***** Print on Demand *****.Georg Wilhelm Friedrich Hegel(August 27, 1770 - November 14, 1831) was a German philosopher and an important figure of German idealism. He achieved wide renown in his day and, while primarily influential within the continental tradition of philosophy, has become increasingly influential in the analytic tradition as well. Although Hegel remains a divisive figure, his canonical stature within Western philosophy is universally recognized. Hegel s principal achievement is his development of a distinctive articulation of idealism sometimes termed absolute idealism, in which the dualisms of, for instance, mind and nature and subject and object are overcome. His philosophy of spirit conceptually integrates psychology, the state, history, art, religion, and philosophy. His account of the master-slave dialectic has been highly influential, especially in 20th-century France. Of special importance is his concept of spirit (Geist: sometimes also translated as mind) as the historical manifestation of the logical concept and the sublation (Aufhebung: integration without elimination or reduction) of seemingly contradictory or opposing factors; examples include the apparent opposition between nature and freedom and between immanence and transcendence. Hegel has been seen in the...
