Reflections Publishing, United States, 2011. Paperback. Book Condition: New. Emily Jones (illustrator). 196 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Face2Face is written and illustrated by kids and part of Reflections Publishing s Kids Helping Kids Through Books series. Face2Face specifically addresses the emotions that children experience from getting bullied, receiving peer abuse, or experiencing cyberbullying. The fiction stories in this series are written and illustrated from the fresh perspective of kids. With the stories written by child authors, child readers who are going through a difficult time can read these stories and have their feelings validated. By connecting with the children through a fiction story, it simply provides a start for the healing process. Because true healing requires a broad focus on emotional, educational, social, and even spiritual needs, this series also provides a non-fiction section for children (and parents) with the tools they need to navigate through these situations. Specifically, at the back of each book in this series, readers will find commentaries for dealing with difficult situations from experts in various fields (e.g., child psychologists, educators, therapists, and religious scholars). We believe this series will provide children with valuable tools to assist them in dealing with many real-life challenges.
