Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A little while ago I told you that I wished this collection of studies to be more especially yours: so now I send it you, a bundle of proofs and of MS., to know whether you will have it. I wish I could give you what I have written in the same complete way that a painter would give you one of his sketches; that a singer, singing for you alone, might give you his voice and his art; for a dedication is but a drop of ink on a large white sheet, and conveys but a sorry notion of property. Now, this book is intended to be really yours; yours in the sense that, were it impossible for more than one copy of it to exist, that one copy I should certainly give to you. Because these studies represent the ideas I have so far been able to work out for myself about art, considered not historically, but in its double relation to the artist and the world for whom he works; ideas which it is my highest ambition should influence those young enough and powerful enough to act upon them; and, this being the case, my first thought is to place them before you: it is, you see, a matter of conversion, and the nearest, most difficult, most desired convert, is yourself.
