Grossman Guitar Workshop, United States, 2005. DVD Audio. Book Condition: New. 193 x 140 mm. Language: English . Brand New Book. Chet Atkins and Jerry Reed in concert together. What a treat!! These two masters of the guitar complemented each other so well that it is hard to imagine one without the other! Chet Atkins, the subdued quiet picker, thrilled at performing the fast, frantic instrumental written by his energetic alter ego, Jerry Reed. Their careers intertwined for most of forty years, resulting in a number of award-winning collaborations. Their 1992 Grammy Award winning CD Sneakin Around led to several show dates together, including this performance at the Bottom Line. The instrumentals that were shared by these two guitar giants will be played and studied as long as there are guitarists on this planet. This 84-minute video features 18 selections including Copper Kettle, Waltz for the Lonely, Summertime, and more.
