Pantari Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Things don't always turn out the way that we expect them to. Take the world for example; just when humanity thought that it would be destroyed by environmental collapse, the vampires stepped in and took over. Now, the planet is healing, the economy is stable, wars are a thing of the past, and everyone knows who the President will be for the next two hundred years. Of course, death isn't quite as certain as it used to be, but taxes still are—even if they are paid in blood. The only problem is that one of the undead has started kidnapping daytime girls for his own little blood farm. And in *A Kinder, Greener Vampire*, it's up to Detective Cami Karnstein of the Los Angeles Nocturnal Police Department, and her human partner, to solve the case before it's too late. Join Martin Schiller and guest author, Thomas Trujillo for this, and other tales of the strange, the supernatural, and the unexpected. Also included: a special preview of Book 4 of the Sisterhood science fiction series; *Sisterhood of Suns: Andromeda*, and a sneak peek of an entirely new universe, *Blackbird: A Warrior of the No-When*.
