

Mexico

By Michael Burke

Hippocrene Books Inc., U.S. Hardback. Book Condition: new. BRAND NEW, Mexico, Michael Burke, This guide is designed for discriminating travellers and first-time residents who want to penetrate beneath the surface of what they see, and who want more from a guidebook than a list of hotels and museums. In addition to informed descriptions of Mexico's most popular destinations and a wealth of practical advice (language, driving, shopping, safety), this guide provides the reader with a perceptive understanding of the historical roots and contemporary realities of Mexican society, religion, and politics. Written for the curious non-specialist, its informative chapters point out the specific sites and everyday occurrences that demonstrate its themes. Insightful sections on race and class, family and gender, and Mexican concepts of time and space are the result of the author's own extensive experience in Mexico. This is the ideal 'companion' for the inquisitive traveller who wants more than a guidebook.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Otis Wisoky

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).

-- Dr. Everett Dicki DDS
