Brand New Book ***** Print on Demand *****.Excerpt from Co-Operation at Home and Abroad: A Description and Analysis It is perhaps injudicious for the young author to recommend any portion of his wares, but I trust I may be pardoned the expression of the hope that the general argument conducted in Part II., Chapters X. and XI., will throw to some extent a new light on one aspect of modern agriculture. I have been occupied with the composition of this essay during the greater part of the last three years. I began the study of the subject quite accidentally in the course of reading the general literature which awaits the student who is interested more especially in the living side of Economics. Being an Englishman, I first became conversant with those branches of Co-operation which are most developed at home, but on reading the reports of the International Co-operative Alliance, which holds its congresses from time to time in different countries of Europe, I became aware of the exceedingly complex and diverse nature of the subject. The questions naturally presented themselves: What are the...
