Brand New Book ***** Print on Demand *****.Excerpt from Defence of the Rockingham Party: In Their Late Coalition With the Right Honourable Frederic Lord North The dissipation and luxury that reign uncontroled have spread effiminacy and irresolution every where. - The grand defection of the United States of America from the mother country, is one of the most interesting events, that has engaged the attention of Europe for centuries. And the number of extraordinary geniuses that have distinguished themselves in the political world, gives a dignity to the scene. They pour a lustre over the darkest parts of the story, and bestow a beauty upon the tragedy, that it could not otherwise have possessed. At a time like this, when the attention of mankind has been kept alive by a series of the most important events, we cease to admire at things which would otherwise appear uncommon, and wonders almost lose their name.
