New Generation Publishing, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is the story of one man's journey toward realising his full healing potential and ability. First communicating with the spirit world through a medium, then learning to link directly, Bob Woodward shares with the reader his first recorded communications with his spirit- teachers, who reassure him that they are working alongside him for the good of mankind and the fulfilment of God's grand plan. Always questioning the validity and reality of these communications, Woodward confronts his own uncertainties about becoming a healer, as well as including his very personal communications with the spirits of his mother and father, in the hope that the reader can see how those who have died can indeed become the guides, helpers and counsellors of those on earth through a relationship grounded in love and freedom.
