

Playhouse: Optimistic Stories of Real Hope for Families with Little Children (Paperback)

By Monica Taylor

Garn Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Pete Seeger once said: The key to the future of the world is finding the optimistic stories and letting them be known. In many ways, writing a book about my family's experiences at Playhouse, a cooperative pre-school founded in 1951, is in fact telling an optimistic story that has the potential to inspire others, early childhood teachers and parents alike, to search for, create, or contribute to progressive learning environments for their own children and students. Playhouse serves as more than just a school for children. It is a learning community for parents, where they can learn and embrace progressive models of education. This type of parental education is more important now than ever before, especially in the face of parental opt out movements and objections to standardized testing and curriculum like the common core standards. Parents and early childhood teachers need to educate themselves about the tenets of democratic and progressive schooling, and there is very little written for them. Early childhood teachers often graduate with certification but are unsure of how to implement this progressive pedagogy in their classrooms or...

Reviews

The publication is easy in read through safer to comprehend. It is actually loaded with wisdom and knowledge Its been printed in an extremely simple way and is particularly simply right after i finished reading through this pdf where actually modified me, affect the way i believe.

-- Ms. Clementina Cole V

This is the very best publication i have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer create this pdf.
