*This publication is definitely not simple to begin on studying but quite fun to see. It really is full of knowledge and wisdom I am just effortlessly can get a satisfaction of studying a created pdf.*  
*(Alfreda Bradtke)*

## AN AMERICAN UTOPIA

Condition: New. Publisher/Verlag: Verso Books | Dual Power and the Universal Army | Controversial manifesto by acclaimed cultural theorist debated by leading writers Fredric Jameson's path-breaking essay *An American Utopia* radically questions standard leftist notions of an emancipated society, advocating among other things universal conscription as the model for the communist reorganization of society, fully acknowledging envy and resentment as the central problem of a communist society, and rejecting the dreams of overcoming the division between work and leisure. Endorsing the axiom that to change the world one should begin by changing our dreams about how we imagine an emancipated society, Jameson's text is ideally placed to trigger a debate on possible and imaginable alternatives to global capitalism. In addition to Jameson's essay, the volume brings reactions to it by philosophers and political and cultural analysts, as well as an epilogue from Jameson. Many will be appalled at what they will encounter—there will be blood. But what if one has to spill such (ideological) blood to give the left a new chance? Contributors include Kim Stanley Robinson, Jodi Dean, Saroj Giri, Agon Hamza, Kojin Karatani, Frank Ruda, Alberto Toscano, Kathi Weeks, and Slavoj Žižek | Format: Paperback | Language/Sprache: english | 534 gr | 239x164x22 mm | 336 pp.
