

How to Increase Productivity by Working Less Hours: Successful Techniques for Real Professionals (Paperback)

By Shaun B McDonogh

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If your management told you to be TWICE as effective, would you work TWICE the hours?! Of course not. It s impossible. The solution isn t to work MORE hours, but to work LESS! Quite apart from the obvious health risks mentioned in Forbes Why Working More Than 8 Hours A Day Can Kill You, to be truly efficient we need to change our culture, by learning to achieve better results WITHOUT the easy solution of working more hours. We all know the saying, Work smarter, not harder, but do we know how to put it into practice? YES! You achieve results by making the eight hour working day work for you! In this book you will be shown a unique technique that Finance Director and Author, Shaun McDonogh, has developed through his years of experience and training. Shaun shows you how to achieve greater productivity by using the 8 hour working day to your advantage. Shaun demonstrates that the secret formula of success is to apply the Japanese Lean philosophy to eliminate waste. By improving your processes and using a few...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
