Elsevier Health Sciences, United Kingdom, 2014. Hardback. Condition: New. 5th Revised edition. Language: English . Brand New Book. ENDODONTICS: PRINCIPLES AND PRACTICE, 4th Edition is an essential scientific and clinical building block for understanding the etiology and treatment of teeth with pulpal and periapical diseases. You ll easily understand and learn procedures through step-by-step explanations accompanied by full-color illustrations, as well as video clips included on the Evolve website. Well-known, international contributors share guidelines, expertise, and their clinical experience with contemporary technologies and procedures. Fully updated, evidence-based content integrates the best clinical evidence with the practitioner s clinical expertise and the patient s treatment needs and preferences. Authoritative, visually detailed coverage provides a practical understanding of basic endodontic principles and procedures, including pulpal and periapical diseases and their management. Organization of content reflects the order in which procedures are performed in clinical settings, enhancing your understanding the etiology and treatment of teeth with pulpal and periapical diseases. Over 1,000 full-color illustrations ensure a clear, accurate understanding of procedures, and include radiographs and clinical photographs. Learning objectives help you meet the theoretical and procedural expectations for each chapter. NEW Single Tooth Implant chapter introduces the use of single tooth implants as an important treatment option for the partially edentulous patient, covering the diagnostic, implant design, surgical, and prosthodontic innovations that have advanced the single implant restoration. NEW Diagnoses, Treatment Planning, and Systemic Considerations chapter examines current thinking on the relationship between oral disease and systemic health and how the management of patients with systemic disease (such as diabetes) may differ from that of other patients. NEW Interaction Between Generalist and Specialists chapter addresses the roles of general dentists and endodontists, and help you determine whether to perform the necessary treatment or if referral to a specialist is the better option. NEW contributors and NEW co-editor Dr. Ashraf...
