

First Form Latin Student Workbook (Paperback)

By Cheryl Lowe

Memoria Press, United States, 2009. Paperback. Condition: New. Student, Workbook. Language: English . Brand New Book. First Forms grammar-first approach focuses on grammar forms and vocabulary because those are the grammar stage skills suitable for the grammar stage student. However, the First Form Series is for students of all ages because all beginners, regardless of age, are in the grammar stage of learning. Syntax (how to use the grammar) and translation are logic and rhetoric stage skills, respectively, and quickly overwhelm the student unless they are introduced at a slow, gentle pace and taught for mastery. First Form is the ideal text for all beginners, grades 5 and up, or is a great follow-up to Latina Christiana I at any age. Now every school and homeschool can have a truly successful Latin program that creates Latin scholars rather than Latin drop-outs; After mastering First Form, the student will have a solid grasp on the six indicative active tenses of the first two verb conjugations, five noun declensions, first and second declension adjectives, and 185 vocabulary words.

Reviews

Extensive guideline! Its this sort of excellent read. it had been writtern quite properly and helpful. You can expect to like just how the writer create this book.

-- Mr. Gustave Gerhold

This book will never be straightforward to start on reading through but quite enjoyable to learn. Better then never, though i am quite late in start reading this one. Your lifestyle span will probably be convert once you complete reading this publication.
