Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Sleeping Cat Books, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The French author known as Voltaire was born in 1694 to a noble family in the province of Poitou. Voltaire was a writer of the Enlightenment movement and was well known in his own time for his attacks on the Catholic Church and for advocating freedom of religion and expression and the separation of church and state. Candide is widely regarded as his masterpiece, and is taught perhaps more often than any other piece of French literature. Published in 1759, it was widely banned immediately after its secretive publication because it contained blasphemy and seditious themes. This bilingual edition is designed to assist those learning French. The English text appears on the left-hand pages of the book, with the corresponding French on the right-hand pages. Other bilingual books available from Sleeping Cat Books: The Picture of Dorian Gray Selected Works of Edgar Allan Poe Fables of Jean de La Fontaine Shakespeare s Sonnets New Fairy Tales for Small Children The Count of Monte Cristo (Unabridged) The Tales of Mother Goose The Last of the Mohicans Madame Bovary.
