

Topographical Map of the Lake District Wainwright Fells

By Peter Knowles

Rivers Publishing UK, United Kingdom, 2014. Sheet map, folded. Condition: New. Language: English . Brand New Book. This map shows all of the 214 Wainwright Fells of the Lake District very clearly on a high quality topographical base map. It will especially appeal to those walkers who are aiming to climb all the Wainwright Fells and want a clear, user-friendly aid to plan their trips and to mark off the fells as they do them. The map has been carefully designed to show essential detail as clearly as possible, whilst leaving off the things of less relevance (including footpaths) that would otherwise clutter the map. The result is a map of the Lake District that is one of the clearest, most legible and elegant maps available today. The base map is a detailed topographical map (based on O.S. geodata) that shows - towns, villages, roads, railways, stations, ferry crossings, youth hostels, campsites, rivers, lakes and mountains. Topographical relief is shown by graduated colour layers with a 50m contour interval. Each Wainwright summit is clearly labeled with the fell name together with a small circle so that you can mark off a peak when you have done it. Popular starting and...

Reviews

Good eBook and helpful one. It really is written in straightforward words and phrases and never confusing. I am just effortlessly could possibly get a enjoyment of looking at a published book.

-- Romaine Rippin

The book is great and fantastic. it absolutely was written very properly and beneficial. It is extremely difficult to leave it before concluding, once you begin to read the book.
