Can you search for a man through internet singles sites and get fruitful results In the words of published author Vincent Sylvan, Yes you can! Not only can you do it, but you can experience hidden feelings you never knew existed in you. In Letters to Victoria, the author brings his readers the compelling story of two people, Vincent Cortes and Victoria ODonnell, as they struggle with their fears and ambitions in their search for The One-- that one person who will satisfy the desire for love they have known all their lives. Join Vincent Cortes in his journey to find the woman of his dreams, and you may discover sensitivities hidden in your own heart. What begins as a simple exchange of emails, shifts into a lyrical dialogue of loves sweetest promise---the kind that motivates Vincent to untie his wings and fly to greater horizons. The lovelorn characters in this novel Letters to Victoria discover that romance is missing from modern day courtships---and they both want it. While Vincent tries to hide tender feelings within cryptic poetry, clever Victoria is quick to break the code and discovers her passions lie with the penniless poet. His poetry touches her soul and holds her heart in its grasp. Vincent Cortes embarks on a story that takes the readers through another five books. This is the first book of the series. Find out how our humble poet manages to stir curiosity in our practical Victoria and how this curiosity builds in her through their correspondence as she asks him for more and more melody. Attempting only to find a female companion, the character in this novel joins the internet singles and, using his methods and formula finds his Soul mate....
