

Radical-9 (Paperback)

By MR Ryan N Geever

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The American Government had collapsed, life became so much harder for people without someone to guide them. Some cities are completely destroyed. it isn't until a mysterious company named ADATA partners with longstanding technological giant TECHNODOME INC. to create an escape for those still surviving--an escape from reality through virtual reality. This escape is known only as ELYSIUM, an interactable online world where the wearer's imagination comes to life inside the world of Elysium, a medieval land recreated with ancient arts of swords and sorcery. In Aurora, Colorado, one of the better off cities in America, high school senior, ANDREW CRESS begins his escape into the magical world of Elysium, but he soon finds out that his escape might not be much better than the reality he was trying to escape from as death threatens to take him in its loving grace.
