Rebekah Ruth Books. Paperback. Condition: New. 404 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. When Megan McKenna was fourteen years old, she received a love letter and a bouquet of her favorite yellow flowers. She might have been swept off her feet if it weren't for the fact that the unexpected attention had come from a nerdy sixteen-year-old with an overbite and terrible eyesight. Embarrassed, she tossed the flowers and letter into the trash without the courage to even look back at the face behind those coke-bottle glasses. By the end of the school year, the boy had moved away from their little Irish town, and Megan was left with a guilty conscience and a slightly queasy feeling at the sight of yellow flowers. Ten years later, after breaking up with her cheating fiancé and subsequently finding herself at the wrong end of a public scandal, Megan has decided she's done with men. And no, she doesn't care how hot the new doctor is. She's not interested. Dr. David O'Brien has accepted a temporary position in a small country town; a town he hasn't seen since he was sixteen when his family moved to America. A town he hasn't seen without the aid of coke-bottle glasses. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
