

Food Proteins and Lipids

By Damodaran, Srinivasan

Book Condition: New. Publisher/Verlag: Springer, Berlin | Proceedings of the John E. Kinsella Memorial Symposium held in Chicago, Illinois, August 22-23 | John E. Kinsella, Dean of the College of Agricultural and Environmental Sciences at the University of California-Davis, passed away on May 2, 1993, at the age of 55. In August 1995, former students and post-doctoral fellows of Dr. Kinsella met at the American Chemical Society National Meeting in Chicago to convene a Symposium on Food Proteins and Lipids to honor Dr. Kinsella's enormous contribution to the field of food science and nutrition. This book is a collection of papers presented at that symposium. A native of Ireland, Dr. Kinsella received his bachelor's degree in agricultural sciences in 1961 from the University of Dublin. He received his master's degree in biology in 1965 and a doctorate in food chemistry in 1967 from Pennsylvania State University. He joined the Food Science faculty at Cornell University in 1967. While at Cornell, he served as Chair of the Department of Food Science from 1977-1985 and Director of the Institute of Food Science from 1980-1987. He was designated Liberty Hyde Bailey Professor of Food Biochemistry in 1981, a Fulbright Fellow in 1983, and was...
