Top Drawer Publishing. Paperback. Book Condition: New. Paperback. 290 pages. Dimensions: 8.0in. x 5.2in. x 0.7in. The legend of the Cole children is so astonishing that anyone knowing the tale must say Karolyn and Michael Cole are the greatest heroes who ever breathed air or swam in the sea. But, who knows of their legend Do you No one would have thought the Cole children capable of great deeds in the beginning. The kids at their schools thought they were rather strange, if they thought of them, and most ignored them or didnt even notice. They were just a couple of regular kids from the city. They lived in Berkeley, California, a small city across the bay from San Francisco. Michael went to a public high school, Karolyn to a catholic school. At that time, Michael was small for his age and rather thin with dark hair and jade green eyes. He liked to play video games, particularly combat video games and he was rather good at them. Karolyn had red hair, the same green eyes, and was an inch taller than Michael. She liked to read and was good at Girls Track, especially the hurdles. No one would have guessed they were twins, or brother and sister for that matter, yet they were fraternal twins, born on the same day and of the same mother. There were some remarkable doings when they were born, extraordinary most would say, but I will leave that out for now and perhaps tell you later. Now of course, after all they have done, having become famous, and well--- legendary, it is easy to see the clues that led to their greatness....
