Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).
(Lorenz Vandervort)

WITHIN ARM'S LENGTH

[DOWNLOAD](#)

Griffin Publishing. Paperback. Book Condition: new. BRAND NEW, *Within Arm's Length*, Dan Emmett, Dan Emmett was just eight years old when President John F. Kennedy was assassinated. The events surrounding the President's death shaped the course of young Emmett's life as he set a goal of becoming a US Secret Service agent, one of a special group of people willing to trade their lives for that of the President, if necessary. *Within Arm's Length* is the essential book on the Secret Service, a revealing and compelling inside look at the Presidential Protective Division (PPD) with stories from some of the author's more high-profile assignments in his twenty one years of service, where he provided arm's length protection worldwide for Presidents George Herbert Walker Bush, William Jefferson Clinton, and George W. Bush, both as a member of the PPD and the Counter Assault Team. Dan Emmett describes the professional challenges faced by Secret Service agents as well as the physical and emotional toll that can be inflicted on both agents and their families. *Within Arm's Length* also shares firsthand details about the duties and challenges of conducting presidential advances, dealing with the media, driving the President in a bullet-proof limousine, running alongside him through the streets of Washington, and flying with him on Air Force One. With fascinating anecdotes, Emmett weaves keen insight into the unique culture and history of the Secret Service and the inner workings of the White House.
