ATTITUDE MOTIVATION (PAPERBACK)

Lulu.com, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The best kept secret in the world! The repetition of positive or negative words and pictures day after day begins to affect you, for good or for bad. Your mind begins to make you do the things that the words and pictures represent. The use of this secret is one of the oldest practices of civilization. Marketing companies use words, pictures and TV commercials that make you want to buy things from them. Politicians use words and pictures to make you want to vote for them. Drug pushers use words and pictures to make you buy drugs and get high. Once these words and pictures are used to make you do certain things, and you continue to do them, you become controlled by your habits. Once the habit becomes stronger and stronger it becomes very difficult to change. Whether you end up a great success, or you end up average, will be because of the things YOU MADE YOURSELF DO WITH THE IMAGES AND WORDS YOU USED TO PROGRAM YOUR MIND.
